

GOALS & DUG-OUTS

**“PLAYING FOOTBALL IS LIKE LIFE...
YOU NEED GOALS”**

GOALS & DUG-OUTS

Good and professional materials such as tactile goals, dug-outs, nets or other materials are indispensable for every club. Because of our partnership with a manufacturer of all these materials, we can offer the clubs professional materials for very attractive prices.

Everything meets the strict KNVB / KBVB requirements and from this season we also offer TÜV approved goals. This catalog lists the most sold goals, but of course we can supply any goal and many types of dugouts and nets.

Contact us for requests and a price list via roger@royalsport.nl.
